Chapter 1 by Dave W.

min3rdude:ugh my mom is the worst

Then timothy remembered he was on voice chat, and he said that on voice chat instead of in game.

What he said was: "Ugh my mom is the worst"

and it sounded really preformative if you were listening, because he was trying to recapture the emotion he had expressed in chat, and not genuinely feeling it again, it was more of an echo of an emotion.

Timothy undoes the velociraptor like claw he has over the wasd keys and hits windows key+m so his mom can use the computer.

She plays solitaire and watches the movie the purge.

"You suck mom" thinks Timothy.
